OKLAHOMA MOB TO BE INVESTIGATED

**Attorney General Takes a Hand. Special
Jury to be Summoned. Prospective In-
dictment of Leading Citizens Cause
Sensation.**

Special to the Eagle.
Ada, Okla., April 20.—Following the
lynching of four prominent cattlemen
here yesterday—three of them being
Texans—Attorney General West today
summoned County Attorney Wimble to
present himself at Atoka, where the
grand jury will investigate the lynching
and endeavor to prosecute the
mob leaders. A special jury will be
called this week for this purpose.

The indictment of the men charged
with this lynching, many of whom are
prominent citizens, will cause a big
sensation. The lynchers, some of
whom were inclined to be boastful
yesterday, are careful today in dis-
cussing the affair, the more prudent
keeping mum. This grand jury in-
vestigation is the only course the state
can take.

As a precaution for the sake of their
safety, Edward and Dave Johnson,
charged with killing City Marshal Pul-
man, and Allen and Oscar Peeler, who
confessed and turned state's evidence
against Miller today, were removed
to the jail at Tecumseh.

The bodies of the four victims of

the mob yesterday, J. B. Miller, Jesse
West, Joe Allen and B. B. Burrell,
have been sent to their respective
homes.

Austin, April 20.—In the attorney
general's department it was asserted
today that J. B. Miller, lynched at Ada
yesterday, was defendant in a suit by
the state to recover five thousand
acres of school land in El Paso county,
and that Miller said that if his title
was cancelled it would be the last act
of the official who did it.

Fort Worth, Texas, April 20.—Dis-
patches answering inquiry by Texas
News service were received today
from County Attorney Wimble at Ada
who says in the message that he ex-
pects to do his duty and will seek a
prosecution of the members of the
mob that lynched four Texans there
yesterday.

Burrell a Land Forger.

Dallas, April 20.—B. B. Burrell,
lynched at Ada yesterday was under
indictment here on six counts for for-
gery. It is alleged that he negoti-
ated forged deeds to land under the
alias of J. B. Martin, whereby he ac-
quired several thousand dollars.

SUES FEDERAL COURT OFFICIALS

Special to the Eagle.
Dallas, Texas, April 20.—W. J.
Hogue, a promoter who was recently
convicted and sentenced in the federal
court on a charge of using the mails
to defraud and who is now out
on bond, pending appeal, today filed
suit against Federal Attorney Atwell,
Federal Judge Meek and C. H. Soelke
of Chicago, the last being a real es-
tate dealer. Hogue, alleges that they
conspired against him for the pur-
pose of defrauding him. He asks for
\$300,000 damages.

he will appoint a railroad commis-

tendent of the penitentiary board is
the latest candidate for the position.

nor yesterday and reported afterwards
that he had been offered the position.

HOUSTON OIL CO. TO TAKE OVER WATERS PIERCE PROPERTY.

Special to the Eagle.
Houston, Texas, April 20.—It is au-
thoritatively reported here today that
the Houston Oil Company will take
over the Texas property of the Wat-
ers Pierce Oil Co.

The Houston company is capitalized
at \$30,000,000 and only last Friday it
passed out of the receiver's hands.
The company will maintain its head-
quarters here.

The corporation will sell some im-
mense tracts of land that it holds in
East Texas and reorganize for the
chief purpose of taking over the Wat-
ers Pierce property.

HASKELL PROSECUTION REVIVED

Special to the Eagle.
Tulsa, Okla., April 20.—Acting on
instructions from Attorney General
Wickersham, Federal Attorney Gregg
this afternoon will request Judge
Campbell of the United States circuit
court for a special grand jury of six-
teen men, to be made up from the
former Indian Territory, to reinvesti-
gate and indict Governor Haskell and
others in connection with the Musko-
gee townsite frauds. This action is in
conformity with Judge John Marshall's
ruling, who said that the jury must be
selected in conformity with the Ark-
ansas law, and on the ground that
the former grand jury did not conform
to said law he quashed the indictment
found by it.

SLOW RAIN AT MCKINNEY.

Special to the Eagle.
McKinney, Texas, April 20.—A slow
rain is falling here today. It will
prove of great benefit to gardens and
field crops which were beginning to
suffer for moisture.

SHOWERS IN WICHITA VALLEY.

Special to the Eagle.
Wichita Falls, Texas, April 20.—
Light showers are falling this morn-
ing here and throughout the Wichita
Valley as far south as Munday.

This brings some relief from the
drouth that has long prevailed in all
parts of West Texas, and was becom-
ing severe.

OIL MEN FIGHT FOR PROTECTION

Special to the Eagle.
Washington, D. C., April 20.—Over
one hundred oil producers, some of
whom are from Texas, assembled here
today to put up a fight before the
senate finance committee to secure a
duty on crude oil. They demand forty
per cent and hope to get twenty-five
per cent.

The Eagle reporter has visited Cald-
well's auction sales daily and has been
forcibly impressed with the fair-deal
with which the sale is conducted. The
large number of buyers are all per-
fectly satisfied with their purchases. 113

was performed by Mrs. Edward B.
Richardson of Brookline, Mass. Mrs.
Richardson is a daughter of Rear Ad-
